

Door Prize Giveaway

To increase the involvement of show goers and to celebrate the 30th year we would like to give away one door prize every hour in each building. Show goers will register for these prizes near the ticket booth entrances and winners will be announced over the loudspeaker.

If you would like to donate any door prize items, please list these items below. Each door prize must have a minimum value of \$40. Your organization will be mentioned with each door prize awarded.

Please note: We ask that exhibitors drop their door prizes at the respective show office prior to the show opening on Friday.
